

St. Luke's hosts several support groups onsite each month to assist patients, their family members and caregivers. It's an opportunity to discuss important topics, share experiences and concerns, enjoy special speakers, participate in social activities and learn from others.

**St. Luke's Support Groups: (509) 473-6681**

For questions, please call the Support Group Hotline or visit the St. Luke's website at [www.st-lukes.org](http://www.st-lukes.org).
